

Synopsis: Each year, Arizona Sunrays Kindergym Program offers its students a chance to participate in a one-of-a-kind performance. This event could not be more simple or more fun. You simply choose a time that you would like to come, and arrive at the gym (15 minutes prior to show time is recommended), dressed exactly as you would be for class. Your child will wait with you until the show begins, at which point children are led through a staff-monitored circuit. Each child is given lots of time to perform, smile and stretch! Parents, relatives and friends can see, first-hand, the making of a great gymnast. Photos and video are encouraged, and because of the interactive structure of the show, it is very easy to get unobstructed shots of your performer. At the end of each show, there is a brief free-exploration period in which additional photos and video can be taken. Finally, certificates and ribbons are handed out to all performers! And everyone gets a glowing review and goes home a star!
